

# *Surviving life as a* **REMOTE WEB WORKER**

SARA COPE | @SARASSASSIN

# Working Remote is Great

Work from wherever

Flexible hours

Customizable workspace

# Working Remote is Great

**SUCKS**

Work from wherever

Flexible hours

Customizable workspace

# Work From Wherever

Home

Coffee shop

Coworking space

# **Tip #1**

**Have the tools you need,  
where and when you need them.**

# Work From Wherever

Software & hardware redundancy

Disaster recovery plan

# Flexible Hours

Early morning

Split day

## **Tip #2**

**Create clear boundaries, for yourself and your family.**

# Flexible Hours

- Develop a work routine
- Establish work and personal zones
- Separate your tech

# Customizable Workspace

Desk

Deck

Couch

## THE KITCHEN

## **Tip #3**

**Save yourself from yourself.**

# Customizable Workspace

- Pack your lunch
- Bring your snack to “work”
- Create a drink station

# Thank You!
